

Lobbyist Cancellation Form for the Florida Legislature

Registered lobbyists must promptly cancel their registration for a principal upon termination of their representation for that principal.

Type or print clearly the lobbyist's name and principal to be canceled exactly as they are stated on the registration form. State one principal per cancellation form.

Cancellation is effective upon receipt of this form by the Lobbyist Registration Office.

Lobbyist

Principal to be canceled

Original signature of lobbyist

Important: Lobbyists must notify the office immediately if their address has been changed. Contact the office for the required form.
